Little Mona Lisa laying by my side
"Crimson and Clover" pullin' overtime
I feel too close to be losin' touch
By givin' in, what am I givin' up
Am I losin' way too much

Hey
California waiting
Every little thing's gotta be just right
Say
While you're tryin' to save me
Can I get back my lonely life?

I'm goin' so fast that I can't slow down
It's hard to get up when you're spinnin' round and
round
I'd give you the news but nothin's changed
I'd sing you a song but they blew it away
All wrapped up in this stupid ass game
Hey
California waiting
Every little thing's gotta be just right
Say
While you're tryin' to save me
Can I get back my lonely life?

Hey
California waiting
Every little thing's gotta be just right
Say
While you're tryin' to save me
Can I get back my lonely life?

Hey
California waiting
Every little thing's gotta be just right
Say
While you're tryin' to save me
Can I get back my lonely life?
Can I get back my lonely life?
