Waiting for a light  
To come on  
That's when I know  
That your alone  
It's cold in the desert  
Water that is easy around?  
Special for girls  
Without a sound?

You told me you loved me,  
That I'd never die alone  
Hand over you  
Heart lets go home  
Everyone noticed,  
Everyone has seen the sign  
I've always been known  
To cross lines

I've never ever cried  
When I was feeling down  
I've always been scared  
Of the sound  
Jesus don't love me  
No one ever carryed my low?  
I'm to young to feel this old

Is it you? is it me?  
No body knows no body sees  
No body but me
