Home grown
Back to the rhythm and back to the beat of the radio
You ain't got the slang but you got the face to play the
role
You can't play with me

And all the bros
Try for the girls and try for tearing this tight clothes
She got a hiding all he has is his asshole
She'll be bothering me

And her hair do
He knows the lipstick kisses, oh, yeah that's the right
move
Make me feel like I'm the one who moves you
The only one you see

Now take me down
Don't you let those tears quench the thirsty ground
Don't you be so scared that you can't make a sound
Make a sound on me here

All of London sing

'Cause England swings the extra love the tales I bring
You know the rainy days they ain't so bad when you're
the king
The king they want to see

Home grown
So rock to the rhythm and bop to the beat of the radio
You ain't got the slang but you got the face to play the
role
You can't play with me here

And her hair do
He knows the lipstick kisses, oh, yeah that's the right
move
Make me feel like I'm the one who's moving you
The only one you see

All of London sing

'Cause England swings the extra love the tales I bring
You know the rainy days they ain't so bad when you're
the king
The king they want to see
