Everybody wants to be a showman
Yeah they all got another one
Everybody thinks they got a genius
Everybody got me on the run
Sometimes I think they come here
Just so you can say that you can
And I can't get alone in my bathroom
I need to give myself a hand

Ya'll cuh-cuh-cuh-creepin'
Creepin' underneath my skin
Fuck you and your flashbulbs
Snappin' my picture again
You drank all my whiskey
You stole all my smoke
And you're crowded all around me
Like I got nowhere to go

Eyes are gonna roll back
I'm here to kill
Time for you to go
I'm-a-gon' spill
It ain't yo fast train
I'll be the king runnin' near the wheel
I ain't lookin' to make no deals here no

You keep stickin' to me
Like a prickly porcupine
You're gettin' your information
From the grocery checkout line
Are you through confessin'
Of your little girl obsession
'Cause I was only messin'
And I had a little time

Eyes are gonna roll back
I'm here to kill
Time for you to go
I'm-a-gon' spill
It ain't yo fast train
I'll be the king runnin' near the wheel
I ain't lookin' to make no deals here no

Eyes are gonna roll back
I'm here to kill
Time for you to go
I'm-a-gon' spill
It ain't yo fast train
I'll be the king runnin' near the wheel
I ain't lookin' to make no deals here no, no, no, no, no

Eyes are gonna roll back
I'm here to kill
Time for you to go
I'm-a-gon' spill
It ain't yo fast train
I'll be the king runnin' near the wheel
I ain't lookin' to make no deals here no
