It's changing all to yellow
And it's carvin a path
So now we're on our way

It's takin us some journeys
While we wipe away frowns in the most crowded place
Say why you never call me man you never seem to call
now that I'm okay
I'll beat you in the end and every time you turn around
here comes the comin of age

Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party

I cock and load my mergers when you question my
mood
Cause you ain't got no taste
You talking bout my baby I could flip you upside down
And I could mop this place

Say why you never sorry no you never seen my calling
right in front your face
I smoke you in the end and don't you ever turn around
cause it's that comin of age

Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party

Ooooooh
Ooooooh

Ooooooh she saw my party
Ooooooh she saw my party
Ooooooh she saw my party

She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
Ooooooh she saw my party
She saw my party
