How many souls will it take
How many necks will you break
I said, give me them both and I'll wait
Give me that little old shape
I say, hey, I'm sold from afar
But you don't try
Showed you my car
But I don't drive

Let me get away
On a holiday
We could, tire the ones we know
Gonna tie right on
I said, hey, I'm sold from afar
But you don't try me
I showed you my car
But I don't drive

Tell the idiot yeah
Running down my back
We could, see the devils in town
Smoke ?til the sun goes down
I say, hey, I'm sold from afar
But you don't try
I showed you my car
But I don't drive
I said, hey, I'm taken aback
Like you don't know
You blow me away
When you don't try

Let me get away
On a holiday
We could, tire the ones we know

Gonna tie right on
I said, hey, I'm sold from afar
But you don't try me
Showed you my car
But I don't drive

Tell the idiot yeah

Running down my back
We could, see the girls in town
Smoke til? the sun goes down
I say, hey, I'm sold from afar
But you don't try
I showed you my cars
But I don't drive
I said, hey, I'm taken aback
Like you don't know
You blow me away
When you don't try

Caleb!

I said, hey, I'm sold from afar
But you don't try
I showed you my cars
But I don't drive

I said, hey, I'm taken aback
Like you don't know
You blow me away
When you don't try
