Single book of matches  
Gonna burn what's standing in the way  
Run down the mountain  
Now they're calling on the fire brigade

Bury all the pictures  
And tell the kids that I'm okay  
If'n I'm forgotten  
You'll remember me 'fore today

I, I won't ever be your cornerstone  
I

All the black inside me  
Is slowly seeping from the bone  
Everything I cherish  
Is slowly dying, or it's gone

Little shaken babies  
And drunkards seem to all agree  
Once the show gets started  
It's bound to be a sight to see

I, I won't ever be your cornerstone  
I, I don't wanna be here holding on  
I, I won't ever be your cornerstone  
I

Watch her run  
Can you feel it?  
Watch her run  
Can you feel it?

Watch her run  
Can you feel it?  
Watch her run  
Can you feel it?

I, I won't ever be your cornerstone  
I, I don't wanna be here holding on  
(Watch her run)  
I, I won't ever be your cornerstone

(Can you feel it?)

I

(Watch her run)
