(Verse 1)

When the roll is called up yonder  
I hope you see me there

(Chorus)

It's in the water  
It's where you came from  
It's in the water  
It's where you came from

(Verse 2)

When the crowd begins to wonder  
And they cry to see your face

(Chorus)

It's in the water...  
It's in the story  
It's where you came from  
The sons and daughters  
In all their glory  
It's gonna shape them  
And when they clash  
And come together  
And start rising  
Just drink the water  
Where you came from...  
Where you came from

(Verse 3)

You're the rose  
That was called from yonder  
Never sold yourself away

(Chorus)

It's in the water...  
It's in the story  
It's where you came from  
The sons and daughters  
In all their glory  
It's gonna shape them  
And when they clash

And come together  
And start rising  
Just drink the water  
Where you came from...  
Where you came from

(Outro)  
Where you came from...  
Where you came from  
And when they clash  
And come together  
And start rising  
Just drink the water  
Where you came from...  
Where you came from
