Hard times as we go  
We know what times will change  
I talked to Jesus  
Jesus says I'm okay

Pushin and jumpin  
Jumpin the mountain range  
And in a railroad  
Railroad from Hell to Maine

While she says she's on her own  
I'll be pacin on the phone  
Sneakin on the train come back

Awful sick and tired of the gang  
She comes from nothing  
Hopin for a taste of fame  
She's got a birthmark  
A birthmark the shape of Maine

While she says she's on her own  
I'll be pacin on the phone  
Sneakin on the train come back

Awful sick and tired of the gang  
And it's cold and it's cold and it's cold and it's cold  
when you're near  
Cold when you're near any bottle  
And it's cold and it's cold and it's cold when you're  
near  
Cold when you're near any bottle  
And it's cold and it's cold and it's cold when you're  
near  
Cold when you're near any bottle

Hard times as we go  
We know where times will change  
I talk to Jesus  
Jesus everyday

Hard times as we go
