The open road, the path of greatness
It's at your fingers
Go be the one that keeps on fighting
Go be the stranger
Just put your foot in front' the other
Crow like the rooster
We are allowed to get us something
Free as a danger

I say

Spill on the streets of stars
Ride away
Find out what you are
Face to face

The windows are
The perfect picture
They're always changin
Go on get lost

Jump in the waters
when they are raging
i say

Spill on the streets of stars
ride away
Find out what you are
Face to face
Once you've had enough
Carry on
Don't forget to love
before you're gone

Spill on the streets of stars
ride away
Find out what you are
Face to face
Once you've had enough
Carry on
Don't forget to love
before you're gone
