Dirty belly of a secret town  
Cheap trick hookers that are hangin' out at the bar  
Near the Greyhound station  
And the bare-chested boys are going down  
On every thing that the momma believes  
Pack of smokes and a little bump of cocaine  
Help you feel not so strange

Said old Pa, "She don't get off  
Unless somebody's standing near her  
And she'll shine once she's crossed the line  
'Cause all tied to a chair"  
I said, "Lay it now on the ground  
Throw in a white noise sound  
Like a tranny on a ten"

All the bubbas got their heads in a nod  
They don't know what they love or deserve to get  
Chances are they're [Incomprehensible] in a slab  
Doesn't even know which fish that he like to bite tonight  
Ah, tonight, tonight, tonight  
Ah, maybe tonight

Said old Pa, "She don't get off  
Unless somebody's standing near her  
And she'll shine once she's crossed the line  
Hands all tied to a chair"  
I said, "Lay it now on the ground  
Throw in a white noise sound  
Like a tranny on a ten"

Comes home on call, ain't now that peace?  
Fingers in the dirt, spitting out his teeth  
Spitting out his teeth

Comes home on call, ain't now that peace?  
Fingers in the dirt, and he's out spitting all his teeth  
Spitting out

Said Pa, "She don't get off  
Unless somebody's standing near  
And she'll shine once she's crossed the line

Hands all tied to a chair"  
I said, "Lay it now on the ground  
Throw in a white noise sound  
Like a tranny on a ten"

I said, "Lay it now on the ground  
Throw in a white noise sound  
Like a tranny on a ten"
