I've been roaming around always lookin down at all I
see.

Painted faces fill the places I can't reach.

You know that I could use somebody

You know that I could use somebody

Someone like you

And all you know and how you speak

Countless lovers undercover of the street

You know that I could use somebody

You know that I could use somebody

Someone like you

Off in the night while you live it up I'm off to sleep

Waging wars to shake the poet and the beat

I hope it's gonna make you notice

I hope it's gonna make you notice

Someone like me

Someone like me

Someone like me

Somebody

Someone like you

Somebody

Someone like you

Somebody

Someone like you

Somebody
