Another Jennifer's come undone  
They don't make 'em like they used to, son  
'n what's wrong with the world today  
Nothing medication can't take away

My old man is a rounder, yeh  
His third wife's on him to quit  
Said, 'your mother spoiled you, kid.  
Now you're the long shot that better hit...'

This is it, man, here I go  
When you look for me, try the radio  
Don't need your belief to leave 536  
Tomorrow the world  
Tonight Los Angeles...

Been stayin' over near that 'ol hotel  
St. Theresa pickin' up the bill

'n it's - a - makin' my sister I'll  
Says, 'you can't even tie your shoes yourself...  
You need help.'

(Chorus)

(Solo)

Now there's a van right down the block  
They listen in when T.J. and I talk  
Thought we were speakin' in some kinda code:  
Dorfler, Birnbaum, Richard Roma, 'Probably the  
humour...'

This is it, man, here I go  
When you look for me, try the radio  
Yeah, another fix and it's 536  
Tomorrow the world  
Tonight Los Angeles...
