Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down

The birthplace of our nation is Boston so they say
They try to keep it as it was but it's changing every day

Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down

The Red Coats, they were comin', their cloth was made
of tweed
Some say their shirts were button down
(The tradition is Ivy League)

Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down

We met a chap from Harvard, very slim and pale
The last time that we saw him he was dancing with a
cat from Yale

Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down

And just a mile from Harvard's a campus you should
see
M I C K E Y M O U S E

Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down

The folks who come from Boston are said to be quite
dated.
So whadda ya have to say, my friend?
Well, uh, Bobby and Teddy and I made it

Well, there's a big ball in Boston, big ball in town
Big ball in Boston, I'm gonna get on down
