by George Archer, c. 1947, 1964, 1965  
(Many thanks to Big Wayne Shrubbsall for researching  
and contributing these lyrics)

E inu tatou e  
hara E inu tatou ite ava e  
E inu tatou e  
E inu tatou e  
hara E inu tatou ite ava e  
E inu tatou e

A rave hoi oe  
A rave hoi oe

\*A rave ite mau peu ri'i e  
A rave e--  
ite mau peu ri'i mau ae te man  
ote vahine e.

For singers: pronounce each syllable and vowel  
separately. The line marked \* then would be  
pronounced this way: Ah rahvay eetay mah oo payoo  
ree-ee ay (as in "say"). However, Guard's solo verse is  
NOT part of Archer's original.
