Home is the hunter, home from the hill
Home is the dreamer, home from the hill
Home with his loved one never to part
Close to his loved one, home in her heart

The hill is the distant horizon
Where the end of a rainbow lies
He searched for a dream and discovered
It was waiting for him in his lover's eyes

Home is the hunter, home from the hill
Home is the dreamer
Safe in the arms of his love, nevermore to roam
He's home, he's home

Home is the hunter, home from the hill
Home is the dreamer
Safe in the arms of his love, nevermore to roam
He's home, he's home
