Carson Parks

This is the longest beer of the night and in the East I
think I see some light,
And pretty soon I know the sun will shine and I know a
bar that opens promptly at nine'at nine.

I guess two six-packs wasn't enough 'cause right about
now the goin' really gets rough
And some early bird is happy callin' his mate and I wish
I knew a bar that opened promptly at eight.

Maybe I was just a fool thinkin' I could drown you outa
my mind but the longest part of the day is just before
nine'before nine.

I can see the dew that's settlin' onto the ground and if
I'm not careful your mem'ry's gonna come 'round
And that's the reason I just gotta stay tight, so I'm just
nursin' the longest beer of the night.
Yeah, I'm nursin' the longest beer of the night.
