Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

Climbing up the Matterhorn, all alone as I could be  
I reached the top, I forced a stop and heard this mystic  
melody

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

On an island in the ocean, not a human soul around  
As I searched for bread and water, once again I heard  
this sound

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

My plane had all its motors gone  
The wings would never keep me up  
I heard a voice that seemed to say  
"Now, let's take it from the top"

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

I was tramping through the Congo  
When the Mau Mau tribe appeared  
And their native chant was haunting  
Just the sound that I had feared

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

While rocketing into space  
I found myself upon the moon  
An ectoplasm greeting me with  
"Have you heard the latest tune?"

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

My ship was sinking in the water  
So I sent an S.O.S and I waited for an answer  
You don't even have to guess  
Came a voice so calm and cheerful  
Just as cheerful as can be, said  
"According to our survey, now the song is number  
three!"

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna

Ole, Oleanna  
Ole, Oleanna  
Ole, ole, ole, ole, ole, Oleanna
