Ooh, ooh, ooh, ooh, ooh, ooh

We're sailin' 'cross the river from Liverpool  
Heave away, Santy Anno  
Around Cape Horn to 'Frisco Bay  
'Way out in California

So, heave her up and away we'll go  
Heave away, Santy Anno  
Heave her up and away we'll go  
'Way out in California

There's plenty of gold, so I've been told  
Heave away, Santy Anno  
Plenty of gold, so I've been told  
'Way out in California

So, heave her up and away we'll go  
Heave away, Santy Anno  
Heave her up and away we'll go  
'Way out in California

Ahh, ahh, ahh, ahh, ahh

Well, back in the days of forty-nine  
Heave away, Santy Anno  
Back in the days of the good old times  
'Way out in California

So, heave her up and away we'll go  
Heave away, Santy Anno  
Heave her up and away we'll go  
'Way out in California

Ahh, ahh, ahh, ahh, ahh  
Ooh ooh, ooh, ooh
