Richard Rogers/Lorenz Hart

She was too good to me. How can I get along now? So close she stood to me. Everything seems all wrong now.

She would have brought me the sun, making me smile that was her fun.

If she was mean to me, I'd never say, "Go 'way, now."

She was a queen to me. Who's gonna light my way now?

It's only natural that I'm blue. She was too good to be true.

(Hum melody)

She would have brought me the sun, making me smile that was her fun.

If she was mean to me, I'd never say, "Go 'way, now."

She was a queen to me. Who's gonna light my way now?

It's only natural that I'm blue. She was too good to be true.
