Is it wrong to be so much in love with a girl
That you can't tell her voice from the spinnin' of the
world?

I am gone, I can fly like a comet on the sky
I'm a-lookin' for the shelter of a hurricane's eye
If I turn the corner and your face, it isn't there
I'll come runnin' back tomorrow and go searchin'
everywhere

Is it wrong to be so much in love with a girl
That you can't tell her voice from the spinnin' of the
world?

The sunset is red, I remember what they said
There's no rest for the weary, I'd be better off dead
I cannot find any words for my mind
My eyes, they can see, but it feels like I'm blind

Is it wrong to be so much in love with a girl
That you can't tell her voice from the spinnin' of the
world?

I am gone, I can fly as a comet on the sky
I'm a-lookin' for the shelter of a hurricane's eye
If I turn the corner and your face, it isn't there
I'll come runnin' back tomorrow and go searchin'
everywhere

Is it wrong to be so much in love with a girl
That you can't tell her voice from the spinnin' of the
world?

Is it wrong to be so much in love with a girl
That you can't tell her voice from the spinnin' of the
world?
