Jack Splittard

The hunter, he did cross the plain and then he  
ventured home again.  
The merry, merry feast will soon begin among the  
leaves so green-o.

Chorus:

Jackie boy, master, sing ye well. Very well. Hey down,  
hoe down, derry, derry down.  
Among the leaves so green-o. To my hey, down, down.  
Hoe down, down.  
Hey down, hoe down, derry, derry down. Among the  
leaves so green-o.

The hunter is a cheerful sight. His hearth is warm, his  
fire bright.  
His songs, they fill the winter night among the leaves  
so green-o.  
To my hey down, down. Hoe down, down. Hey down,  
hoe down, derry, derry down.  
Among the leaves so green-o.

(Chorus)

'Tis merry we are and merry we'll stay. We'll sing a  
toast 'till the break of day  
And start again upon our way among the leaves so  
green-o.

(Chorus twice)

Hey down, hoe down, derry, derry down. (Repeat twice)
