Rod McKuen

Some day some old familiar rain will come along and
know my name.
And then my shelter will be gone and I'll have to move
along.
But 'till I do I'll stay awhile and track the hidden country
of your smile.

Some day the man I use to be will come along and call
on me.
And then because I'm just a man, you'll find my feet
are made of sand.
But 'till that time I'll tell you lies and chart the hidden
bound'ries of your eyes.

Some day the world I use to know will come along and
bid me go.
Then I'll be leaving you behind for love is just a state of
mind.
But 'till that day I'll be your man and love away your
troubles if I can.
And 'till that day I'll be your man and love away your
troubles if I can.
