Tears would fall like the falling rain,  
There would be a sea.  
But you don't have to cry to prove your love,  
Just believe in me.

'cause a little bit of sunlight is all that I want from you,  
A little bit of sunlight,  
Is all that I want,  
All that I want,  
All that I want from you.

A man who can't live with cloudy skies,

Should only wait and see.  
Soon all the clouds will disappear,  
And leave just you and me.

'cause a little bit of sunlight is all that I want from you,  
A little bit of sunlight,  
Is all that I want,  
All that I want,  
All that I want from you.
