I'm not content to be with you in the daytime
Girl I want to be with you all of the time
The only time I feel alright is by your side
Girl I want to be with you all of the time all day and all
of the night
All day and all of the night
All day and all of the night
I believe that you and me last forever
Oh yea all day and nighttime yours, leave me never
The only time I feel alright is by your side
Girl I want to be with you all of the time all day and all
of the night
All day and all of the night
All day and all of the night
Guitar
I believe that you and me last forever
Oh yea all day and nighttime yours, leave me never
The only time I feel alright is by your side
Girl I want to be with you all of the time all day and all
of the night
All day and all of the night
All day and all of the night
All day and all of the night
