This world is big and wild and half insane  
Take me where real animals are playing  
Just a dirty old shack  
Where the hound dogs bark  
That we called our home  
I want to be back there  
Among the cats and dogs  
And the pigs and the goats  
On animal farm  
My animal home  
On animal farm  
My animal home

While I lay my head upon my pillow  
Little girl, come play beneath my window  
Though she's far from home  
She is free from harm  
And she need not fear  
She is by my side  
And the sky is wide  
So let the sun shine bright  
On animal farm  
My animal home  
On animal farm  
My animal home

Girl, it's a hard, hard world, if it gets you down  
Dreams often fade and die in a bad, bad world  
Ill take you where real animals are playing  
And people are real people not just playing  
Its a quiet, quiet life  
By a dirty old shack  
That we called our home  
I want to be back there  
Among the cats and dogs  
And the pigs and the goats  
On animal farm  
My animal home  
On animal farm  
My animal home  
On animal farm  
Animal farm
