Well I don't want no bald headed woman  
Gonna make me mean, yes, love, it make me mean  
I don't want no bald headed woman  
It will make me mean, yes, love, it make me mean

Well I don't want no sugar in my coffee  
Gonna make me mean, yes, love, it make me mean  
I don't want no sugar in my coffee  
It'll make me mean, oh, make me mean

Well I've been driving on a bald headed mountain  
I've done my time, I've done my time  
I've been driving on a bald headed mountain  
I've done my time, oh, done my time  
I done my time, done my time, I done my time, done  
my time

Well I don't want no sugar in my coffee  
Gonna make me mean, make me mean  
Oh I don't want no sugar in my coffee  
Make me mean, make me, gonna make me mean

I don't want no bald headed woman  
Gonna make me mean, it make me mean  
Oh no, no I don't want no bald headed woman
