The world's goin' crazy and
Nobody gives a damn anymore
And they're breakin' off relationships and
Leavin' on sailin' ships for far and distant shores

For them it's all over
But I'm gonna stay
I wouldn't leave anyway
I know that someday we'll find a way
We'll be ok

'Cause I'm your brother
Though I don't even know your name
I've discovered
That deep down inside, you feel the same

Our friends are leavin'
Now they seem so far away
But we shouldn't feel afraid
There's so much that we can say

You're my brother
Though I didn't know you yesterday
I'm your brother
Together we can find a way

(I'm your brother)
The world's goin' crazy and
Nobody gives a damn anymore
(I'm your brother)
They're breakin' off relationships and
Leavin' on sailin' ships for far and distant shores

The old world's fadin'
Now it seems so far away
I'm not goin' anywhere
There's so much that we can share
I'm your brother

The world's goin' crazy and
Nobody gives a damn anymore
And they're breakin' off relationships

And leavin' on sailin' ships for far and distant shores

You're my brother
Though I didn't know you yesterday
I'm your brother
Together we can find a way
