I don't want no cadillac
(c-a-d-i-l-l-a-c)
The one I got I'm gonna take it back
(c-a-d-i-l-l-a-c)
Come down to my house early in the morning
(c-a-d-i-l-l-a-c)
Look at the car wouldn't give me no warning

Oh, cadillac

Well look in the sun but it wasn't no jack[?]
(c-a-d-i-l-l-a-c)
I think I'll take this cadillac back
(c-a-d-i-l-l-a-c)
A pretty little american walking down the street
(c-a-d-i-l-l-a-c)
Look at the car [?]

(c-a-d-i-l-l-a-c)

Oh, cadillac

I don't want no cadillac
(c-a-d-i-l-l-a-c)
The one I got I'm gonna take it back
(c-a-d-i-l-l-a-c)
Come down to my house early in the morning
(c-a-d-i-l-l-a-c)
Look at the car wouldn't give me no warning

Oh, cadillac
Oh, cadillac
