I remember, when you were down
And you needed a helping hand
I came to feed you
But now that I need you
You won't give me a second glance
Now Iâ'm calling all citizens from all over the world
This is captain america calling
I bailed you out when you were down on your knees
So will you catch me now Iâ'm falling
Help me now Iâ'm calling you
Catch me now Iâ'm falling
Iâ'm in your hands, itâ's up to you
Catch me now Iâ'm falling
I remember when you were down
You would always come running to me
I never denied you and I would guide you
Through all of your difficulties
Now Iâ'm calling all citizens from all over the world
This is captain america calling
I bailed you out when you were down on your knees
So will you catch me now Iâ'm falling
Help me now Iâ'm calling you
Catch me now Iâ'm falling
Iâ'm in your hands, itâ's up to you
Catch me now Iâ'm falling
When you were broke you would come to me
And I would always pull you round
Now I call your office on the telephone
And your secretary tells me that sheâ's sorry,
But, youâ've gone out of town.
This is captain america calling
This is captain america calling
Help me now Iâ'm calling you
Catch me now Iâ'm falling
Iâ'm in your hands, itâ's up to you
Catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
I stood by you through all of your depressions
And I lifted you when you were down
Now itâ's your chance to do the same for me
I call your office and your secretary tells me
That youâ've gone out of town
This is captain america calling
This is captain america calling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
I was the one who always bailed you out
Of your depressions and your difficulties
I never thought that you would let me down
But the next time youâ're in trouble
Better not come running to me
Now Iâ'm calling all citizens from all over the world
This is captain america calling
I bailed you out when you were down on your knees
So will you catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
Catch me now Iâ'm falling
