Dandy
Dandy
where you gonna
go now?
Who you gonna run to?
All your little life you're chasing all the girls

they can't resist your smile
oh
oh
they long for.

Dandy
Dandy
chattin' on the ladies

tickling their fancies

pouring out your charm to meet your own demands
and turn it off at will
oh
oh
they long for.

Dandy
Dandy
knockin' on the back door

climbing thru' the window
hobbies gone away and while the cat's away
the mice are gonna play
oh
oh
you're low down.

Dandy
Dandy
Dandy
Dandy
you know you're moving much too fast
and Dandy
you know

you can't escape
the past
turn round
dear

and see the people settle down
and when you're old and grey
you will remember what they said
that two girls are too many

three's a crowd and four your dead.

Dandy
Dandy
when you gonna give up?
Are you feelin' old now

you always will be free
you need no sympathy

a bachelor you will stay
and Dandy you're alright

you're alright
you're alright.
