I'm I am a creator, inventor and innovator  
I observe the people, the ordinary people  
No matter what your occupation is  
Everybody's in showbiz

'Cause I'm a star  
(Gonna make you a star)  
And I can make you a star  
(Gonna make you a star)

I believe that everybody's a celebrity  
And we've all got personality and individuality  
We all read lines and we all act a part  
We all need a script and an audience to play to

No matter what you do or who you are  
Everybody's a star

I'm the magic maker, I'm the image maker  
I'm the interior decorator  
I can take any man I see standing in the road  
And put rouge on his cheeks and put some powder on  
his nose  
I'll teach him how to act, I'll remould and reshape him  
I'll put him in a stage suit and I'll teach him how to pose

I can turn the most ordinary man in the world into a star  
I'm a starmaker  
(Gonna make you a star)  
Yes, I'm gonna make you a star  
(Gonna make you a star)  
No matter how dull or simple you are  
Everybody's a star

I'm the magic maker, I'm the image maker  
(Starmaker, gonna make you a star)  
(Starmaker, gonna make you a star)  
I can make or break you  
(Starmaker, gonna make you a star)  
I'm a star maker  
(Gonna make you a star)  
Yes, I'm gonna make you a star

(Gonna make you a star)  
(Gonna make you a star)  
'Cause everybody's a star
