Got love if you want, babe
Got love if you want, babe
I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while[?]
You don't ask all the while[?]

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town
You been a long town

Got love if you want, babe
Got love if you want, babe
I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while[?]
You don't ask all the while[?]

All right boys, let's roll!

Got love if you want, babe
Got love if you want, babe

I got love if you want it
I got love if you want it
I got love if you want it
You don't ask all the while[?]
You don't ask all the while[?]

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town[?]
You been a long town[?]

All right boys, let's roll!

I love you little woman
I love you little woman
The way your hair hang down
The way your hair hang down
But you mistreating baby, yeah
You been a long town[?]
You been a long town[?]
You been a long town[?]
