IÂ'm a hog for you baby, canÂ't get enough of your love
IÂ'm a hog for you baby, canÂ't get enough of your love
When I go to sleep at night thatÂ's the only thing
IÂ'm thinking of
One little piggie ate a pizza (yeah)
One piggie ate potato chips (yeah)
But hereÂ's a little piggie
cominÂ' over your house
Gonna grab a love of your
sweet lipsÂ'cause IÂ'm a hog for you baby, canÂ't get
enough of your love
When I go to sleep at night thatÂ's
the only thing IÂ'm thinking of
Yeah!
One little piggie
went to london (yeah)
One piggie went to hongkong ([?
])
This little piggieÂ's cominÂ' over your house
Gonna love ya all night longÂ'cause IÂ'm a hog for you baby,
canÂ't get enough of your love
When I go to sleep at
night thatÂ's the only thing IÂ'm thinking of
When I go
to sleep at night thatÂ's the only thing IÂ'm thinking of
