I'm a hog for you baby, can't get enough of your love  
I'm a hog for you baby, can't get enough of your love  
When I go to sleep at night that's the only thing I'm  
thinking of

One little piggie ate a pizza (yeah)  
One piggie ate potato chips (yeah)  
But here's a little piggie comin' over your house  
Gonna grab a love of your sweet lips

'cause I'm a hog for you baby, can't get enough of your  
love  
When I go to sleep at night that's the only thing I'm  
thinking of  
Yeah!

One little piggie went to london (yeah)  
One piggie went to hongkong ([? ])  
This little piggie's comin' over your house  
Gonna love ya all night long

'cause I'm a hog for you baby, can't get enough of your  
love  
When I go to sleep at night that's the only thing I'm  
thinking of  
When I go to sleep at night that's the only thing I'm  
thinking of
