The first time that I saw you
You were the lady of my dreams
The very next time I had to make you mine
And I treated you like a queen

The third time that I saw you
You treated me with such distaste
Now I wish I'd never seen your face

I'm in disgrace, I'm in disgrace
Because I fell for your pretty face
I'm in disgrace, he's in disgrace
I'm in disgrace, he's in disgrace
You captured me in your embrace

There's no use blaming me
And saying I was your ruination
'Cause it was you equally
You got us into this situation

It wasn't lust, it wasn't rape
It was just a mistake

I'm in disgrace, he's in disgrace
I'm in disgrace, he's in disgrace
Because I fell for your pretty face
I'm in disgrace, he's in disgrace
I'm in disgrace, he's in disgrace
You captured me in your embrace

Was your love real or faked
Or was it only infatuation?
Picture you in my place
I wish I'd acted with a little less haste

I'm in disgrace, I'm in disgrace
Because I fell for your pretty face
Oh, what a waste, he's in disgrace
I'm in disgrace, he's in disgrace
Now my name's dirt and I'm disgraced, oh
Oh, I'm in disgrace
