I gotta wings, I'm gonna fly
I'm going home and I know why
To see my baby, that's enough
I'm going home, it's all right

It's all right, yeah
It's all right, yeah
It's all right, yeah

I gotta wing, wing, I'm gonna fly by
I'm going home and I know why, why
To see my baby, that's enough
I'm going home, it's all right

It's all right, yeah
It's all right, yeah
It's all right, yeah

I jumped on a wagon
A-shootin' off down the road
I'm gonna see my baby
My baby's gonna take-a me home

I gotta wing, wing, I'm gonna fly by
I'm going home and I know why, why
To see my baby, that's enough
I'm going home, it's all right

It's all right, yeah
It's all right, yeah
It's all right, yeah
