Waiting for the hurricane
To hit New York City
Somebody said it's hit the bay
This is the nitty-gritty

And all the bag ladies
Better put their acts together
We're near the eye of the storm
This is really heavy weather

We were lost and found, in the nick of time
While the ship was going down
We were lost and found, just in time
With the hurricane crossing the coast line
We were lost and found, just in time

This thing is bigger than the both of us
It's gonna put us in our place
We were lost and found, just in time
Now we've got no time to waste, oh

They're putting up the barricades
Because, the hurricane is heading up this way
So won't you come in from
The cold and the pouring rain

And the old sea dog says shiver me timbers
The sky's gone black
And it's like the dead of winter

We were lost and found in the pouring rain
When the hurricane swept across the coast line

This thing is bigger than the both of us
It's gonna put us in our place
We're gonna see what really matters
When we see that storm stare us in the face

Oh, we were lost and found
And we beat the fear
We came through the storm
Now it all seems clear

We were lost and found, standing here
Looking at the new frontier

Lost and found, just in time
With the hurricane crossing the coast line
Lost and found, just in time
With the hurricane crossing the coast line

Oh, oh, oh
