You're such a cool lover  
But you're such a cruel lover  
Treat me like I'm a fool  
I hate you but you know I would kill for you

You're a mean and obscene lover  
But you are my dream lover  
'Cause even though you treat me bad  
You were the best man I ever had

'Cos through the mirror of love, mirror of love  
When I see you through the mirror of love  
You're alright and I forget that you're bad  
'Cos when I see you I'm looking through the mirror of  
love

Why I love you though you treat me bad  
'Cos when I see you looking through the mirror of love,  
oh  
The mirror of love and you look alright  
I see your reflection when I'm looking through the  
mirror of love

You're a crude and a rude lover  
But I would have no other  
You slap me down, treat me bad  
You're a two timing swine and you drive me mad

You're a mean and obscene lover  
But you are my dream lover  
'Cos even though you treat me bad  
You were the best man I ever had

'Cos through the mirror of love, mirror of love  
When I see you through the mirror of love  
You're alright I forget that you're bad  
'Cos when I see you looking through the mirror of love

Oh, the mirror of love and you look alright  
I see your reflection when I'm looking through the  
mirror of love
