By the town of straight and narrow  
Theres a dark and misty place  
Everything is hazy  
So the people are afraid

All except Maria's daughters  
Who believe in misty ways  
Everything is lovely  
In a misty morning glaze

I like misty water  
I like fog and haze  
Anne Maria and her daughters  
They like misty water

I like misty water  
I like fog and haze  
Anne Maria and her daughters  
Take a sip of misty water

Though Maria is not lovely  
Shes the lady of my dreams  
'Cause I see my lady  
Through a misty, silky screen

And seeing is believing  
But I cant believe my eyes  
Everything is lovely  
In a misty paradise

I like misty water  
I like fog and haze  
Anne Maria and her daughters  
They like misty water

They like misty water  
I like fog and haze  
Anne Maria and her daughters  
Take a sip of misty water

I like misty water  
I like fog and haze

Anne Maria and her daughters  
They like misty water

They like misty water  
I like fog and haze  
Anne Maria and her daughters  
They like misty water

I like misty water  
I like fog and haze  
Anne Maria and her daughters
