Met a girl, fell in love
Glad as I can be
Met a girl, fell in love
Glad as I can be

But I think all the time
Is she true to me

'Cause there's nothin' in this world
To stop me worryin' 'bout that girl

I found out I was wrong
She was just two timing
I found out I was wrong
She just kept on lyin'

Now, she tries to tell the truth
And I just can't believe

'Cause there's nothin' in this world
To stop me worryin' 'bout that girl

Tell me who can I turn to
Just who can I believe?
Tried to put her out of my mind
She'll only cause me grief

I love that girl, whatever she's done
You know it hurts me deeply

'Cause there's nothin' in this world
To stop me worryin' 'bout that girl

I know she's been with other fellas
Why does she keep on lying?
It hurts me so when she says nothin'
I really feel like dying

I ache inside until I think
I know it's just my pride

'Cause there's nothin' in this world
To stop me worryin' 'bout that girl
'Cause there's nothin' in this world
To stop me worryin' 'bout that girl
