I've got a girl who's oh, so good  
She's got everything  
I've got a girl and she is mine  
She's got everything

Pretty ringlets in her hair  
Pretty clothes that she can wear  
What's she got?  
Everything  
Everything

All other guys just stand and stare  
She's got everything  
I ain't got a dime but she don't care  
I got everything

I don't need money 'cause I got  
Everything that I could want  
What I've got?  
Everything  
Everything

I've got a girl who's oh, so good  
She's got everything  
She's got everything  
She's got everything

And I can't live without her love  
And I can't live without her kisses  
She is mine forever now

She's got everything  
She's got everything  
She's got everything  
She's got everything  
She's got everything  
She's got everything

I've got a girl who's oh, so good  
She's got everything  
I've got a girl who's oh, so fine  
She's got everything

She's got everything
