Never thought that this would happen to you and me[?]  
Guess I'll just have to see it through

Every single dress you wear  
Never really fits around  
A little child with bright brown hair[?]  
She always laughs and never really cares

She's My Girl  
She's My Girl  
She's My Girl  
She's My Girl, and I'll meet her all the way

[?] in line she spends her time  
A colorful but simple mind  
She gets her kicks when [?]  
But baby when you ball about it worries me

She's My Girl  
She's My Girl  
She's My Girl  
She's My Girl, and I'll meet her all the way

I never thought that this would happen to you

Guess I'll just have to see it through

She crawls around the floor each night  
Staggering but keeping quiet  
I've got to have her while I can  
[?]

She's My Girl  
She's My Girl  
She's My Girl  
She's My Girl, and I'll meet her all the way

She's My Girl  
She's My Girl  
She's My Girl  
She's My Girl
