All alone, sitting on my sofa
Oh, oh, oh, sitting on my sofa
Sipping at my soda
Sitting on my sofa

All alone, sitting on my sofa
Oh, oh, oh, sitting on my sofa
Sipping at my soda
Sitting on my sofa

You got all your friends
I got a TV set
You got your cars
And this boy's never had anything

Now I'm stuck here, sitting on my sofa
Oh, oh, oh, sitting on my sofa
Sipping at my soda
Sitting on my sofa

You got all your friends
I got a TV set
You got your cars
And this boy's never had anything

Now I'm stuck here, sitting on my sofa
All alone, sitting on my sofa
Sipping at my soda
Sitting on my sofa

Oh, oh, oh, sitting on my sofa, oh
