"Such a Shame"

All the good times have all been in vain
It's a shame, such a shame, such a shame

It's a shame 'cause I didn't wanna cause you any pain
But I know that it wouldn't be the same
All the good times have all been in vain
It's a shame, such a shame, such a shame

It's a shame 'cause I didn't intend to do you wrong
I'd come back but it wouldn't last for long
I would, if I could but I can't
It's a shame, such a shame, such a shame

It's a shame, such a shame
'Cause I swore I'd never let you down
But I was the one who was doing wrong
It's a shame, such a shame, such a shame

'Cause I didn't intend to do you wrong
I'd come back but it wouldn't last for long
I would, if I could but I can't
It's a shame, such a shame, such a shame

It's a shame, such a shame
'Cause I swore I'd never let you down
But I was the one who was doing wrong
It's a shame, such a shame, such a shame

'Cause I didn't wanna cause you any pain
But I know that it wouldn't be the same
All the good times have all been in vain
It's a shame, such a shame, such a shame
