Let me take you on a little trip, my supersonic ship's
At your disposal if you feel so inclined, well alright
We're gonna travel faster than light, so do up your
overcoat tight
And you'll go anywhere you want to decide, well alright

Too many people side by side
Got no place to hide

On my supersonic rocket ship, nobody has to be hip
Nobody needs to be out of sight, oh, out of sight, man
come on
Nobody's gonna travel second class there'll be equality
And no suppression of minorities

We'll take this planet, shake it round
And turn it upside down, my supersonic rocket ship

It ain't no magic, ain't no lie
You'll laugh so loud but you'll cry
Up and down, round and round
On my supersonic rocket ship

Let me take you on a little trip, my supersonic ship's
At your disposal if you feel so inclined, well alright
Nobody's gonna travel second class there'll be equality
And no suppression of minorities, well alright

Let me take you on a little trip
On my supersonic rocket ship
