Once under a scarlet sky I told you never ending lies  
But they were the words of a drunken vagabond  
Who knew very well he would break your heart before  
long  
Oh forgive me, Genevieve

Now I've come back to see Sweet Lady Genevieve  
This time I'll give you some security  
And I will make promises I can keep  
So will you come back to me Sweet Lady Genevieve?

Let me rock you, hold you  
Take you in my arms  
Oh forgive me, please  
Smile away all your sadness, put your trust in me

Oh if you come back to me Sweet Lady Genevieve  
I'm not the impetuous fool that you used to know  
I know that I used you and I hurt you so  
But that was so long ago Sweet Lady Genevieve

Oh, love me  
Take me in your arms  
Let me rock you, hold you  
Smile away all your sadness, put your trust in me

Once under a starry sky I led you on and told you lies  
Drank too much whiskey on that hot summer night  
I acted so slyly because you were acting so shy  
Oh forgive me Genevieve

If you come back to me Sweet Lady Genevieve  
You're not the child who smiled so innocently  
And I'm not the rogue that I used to be  
So will you come back to me Sweet Lady Genevieve?

Oh Genevieve, oh Genevieve
