This time tomorrow, where will we be?
On a spaceship somewhere sailing across an empty
sea
This time tomorrow, what will we know?
Well, we still be here watching an in-flight movie show

I'll leave the sun behind me and watch the clouds
As they sadly pass me by
Seven miles below me
I can see the world and it ain't so big at all

This time tomorrow, what will we see?
Field full of houses, endless rows of crowded streets
I don't where I'm going, I don't want to see
I feel the world below me looking up at me

Leave the sun behind me and watch the clouds
As they sadly pass me by
And I'm in perpetual motion
And the world below doesn't matter much to me

This time tomorrow, where will we be?
On a spaceship somewhere sailing across any empty
sea

This time tomorrow, this time tomorrow
