Baby, I feel good
From the moment I rise
Feel good from morning
Till the end of the day
Till the end of the day

Yeah, you and me
We live this life
From when we get up
Till we go sleep at night

You and me, we're free
We do as we please, yeah
From morning till
The end of the day
Till the end of the day

Yeah, I get up
And I see the sun up
And I feel good, yeah
Cause my life has begun

You and me, we're free
We do as we please, yeah
From morning till
The end of the day

Till the end of the day
Till the end of the day
Till the end of the day

You and me, we're free
We do as we please, yeah
From morning till
The end of the day

Till the end of the day
Till the end of the day
Till the end of the day
Till the end of the day
Till the end of the day
