When I first saw her  
She looked alright  
Second time I saw her  
She looked out of sight  
And I said

You're looking fine  
You're looking fine  
You're looking fine  
And I feel alright  
Yes, I feel al'

She got all the angles  
So directly applied  
And when I see her  
I have to cry

You're looking fine  
You're looking fine  
You're looking fine  
And I feel alright  
Yes, I feel alright

You're looking fine  
You're looking fine  
You're looking fine  
But I feel alright  
And I feel alright
